

PRODUCT WARRANTY

Yuasa UXH Series Valve Regulated Battery

Four Year Guarantee

Century Yuasa Batteries Pty Ltd guarantees to the original user, that Yuasa UXH Valve Regulated Batteries will be free from defects in material or workmanship for a period of four (4) years from the date of installation, provided that installation occurs within three (3) months of date of shipment.

Should Century Yuasa Batteries Pty Ltd find any cell to be defective in materials or workmanship as above, it will be repaired or replaced free of charge.

Ten Year Warranty

Century Yuasa Batteries Pty Ltd further warrants to the original user that Yuasa UXH Valve Regulated Batteries will have a service life of ten years (i.e. deliver a minimum of 80% of their rated capacities) from their date of shipment, when used in full float service at 25°C, in accordance with published storage, handling and operating procedures.

Should Century Yuasa Batteries Pty Ltd find any cell is in breach of this warranty, Century Yuasa Batteries Pty Ltd, at its sole discretion, will repair or replace the cell or allow the original user to credit on a pro-rata basis or the proportion of the warranty term remaining. The pro-rata credit shall be based on the original purchase price of the cell and this credit can only be applied to the current purchase price of an equivalent battery from the current range of battery products offered by Century Yuasa Batteries Pty Ltd.
